

Research
We will explore different sea creatures and talk about their features. We will visit the Sealife Centre to look at different sea creatures.
  

Design
We will think about and discuss what we want to make. When designing our seaside picture we will say if we will make a fish, star fish or a whale.

We will also say how we would like to decorate our sea creature.

Make
We will use a needle and thread to sew our felt sea creature onto the hessian when making our sea collage. We will use sequins to decorate our sea creature and to add more detail.

Design and Technology Knowledge Organiser Foundation Topic: seaside collage Strand: Textiles
 

Continuous Provision
In our continuous provision area we will be able to: Use thread / shoe laces and sewing cards to practice sewing through holes. Draw and decorate paper sea creatures. Play with plastic sea creatures in the water area.
 

Vocabulary	
felt 	A heavy type of material.
hessian 	A type of strong rough fabric.
needle 	A tool for sewing.
sewing	To use a needle, and colourful thread to put pieces of fabric together.
thread 	A long, thin piece of string used for sewing.

Evaluate
We will reflect on whether we have achieved what we set out to achieve. We will say if we liked the look of our collage.
