Mission Statement

Templefield is a Lower School and community facility in the heart of Flitwick promoting a wide ranging and progress curriculum that will nurture and develop its pupils.

Values

Our core values are at the heart of our ethos and underpin the work of the school. They were chosen by the school community to represent the standards we expect of our pupils, and are promoted through assemblies and the curriculum.

Our core values are:

- Respect
- Honesty
- Friendship
- Kindness
- Perseverance
- Tolerance
- Thoughtfulness
- Courage
- Patience
- Co-operation

These values are actively promoted in our everyday practice and are focused on in our behaviour policy and school rules. Each month we focus on a new value and assemblies and class time are spent discussing the value. We also celebrate children showing our values by the giving of golden tickets which are shared in celebration assemblies and by sending notes home to parents.
